## PROFESSIONAL EXPERIENCE

### Full Stack Developer - Intern, EHC Groupe

05/2025 – 08/2025 | Meknès

During my internship at EHC Group, I contributed to the design and development of a web application, working on both the **Backend (Spring Boot)** and **Frontend (React.js)**. I also participated in the Design of **class diagrams** and **use case diagrams**. This experience strengthened my full-stack development skills and my ability to collaborate effectively using **Jira** and **GitHub**.

## EDUCATION

### Web development, Youcode

2024 – 2026 | Nador, Morocco

### Bachelor in Software Engineering, Zaporizhzhia National University

2018 – 2024 | Zaporizhzhia, Ukraine

### software development, Ecole Supérieure de Technologie

2017 – 2018 | Meknès, Morocco

## PROJECTS

### Supplier Management System - REST API

10/2025 – 12/2025

- Developed a **REST API** using **Java 17** and **Spring Boot**
- Implemented **JWT/OAuth2** authentication and role-based access
- Wrote unit and integration tests with **JUnit** and **Mockito**
- Set up CI/CD pipelines using **Jenkins**
- Used **SonarQube** for code analysis in the pipeline
- Containerized the application using **Docker**

### Blood Bank - Web Application for Blood Donation Management

03/2025 – 05/2025

- Built a **Laravel** web application using **MVC**, **Eloquent ORM**, and **MySQL**
- Implemented authentication with **Laravel Breeze** and secured routes using **Middleware**
- Integrated **Leaflet** and **Google Maps API** for geolocation features
- Designed responsive UI using **Blade** and **Tailwind CSS**
- Implemented **CSRF protection** and secure form validation.

## TECHNICAL SKILLS

### Frontend

Javascript | Reactjs | Angular | TailWind CSS

### DevOps, Tools and Quality

Git / GitHub | Docker | Jenkins | SonarQube | Jira

## SOFT SKILLS

- Agile/Scrum Workflow
- Time Management
- Fast Learner / Continuous Learning
- Teamwork & Collaboration

### Base de données And Architecture

MySQL | PostgreSQL | System Design (UML, ERD)

### Backend

PHP (Laravel) | Java (Spring , Maven)

## Languages

**Arabic** — Native

**French** — Proficient

**English** — Proficient

**Ukrainian** — Conversational
